## In Monday's Assembly

We talked about advent and how it is celebrated around the world in different ways. We looked at how it is celebrated in the church and to Christians it is a time of peace so the church is very plain. We also looked at how people from England celebrate advent in different ways. Some people celebrate by burning candles each day and some people use advent calendars to celebrate.

**Please remember on Friday it is the  
School Christmas Fayre!**
