

Bledlow Ridge School

26th February 2016

Dear Parents,

Welcome back to another half term. This half term the children of Class R are learning about 'Transport and Journeys,' and to enrich their learning there are many things planned over the next month.

On Thursday, the 17th of March there will be a pirate's party in our class, during which the children will have some 'pirate' food, and games. If the children have any clothes which they would like to change into on this afternoon can they please bring them in a separate labelled plastic bag.

To enrich their learning further the children will be baking in groups and are making Jamaican Ginger Cookies.

On Tuesday 22nd March, we have planned a trip to Bekonscot Model Village in Beaconsfield. This trip will give the children first-hand experience of going on a coach, looking closely at moving models as well as finding out about old and new transport. This year the children, while collaboratively planning this terms learning, expressed an interest in going on a train ride, so we will also be taking a train ride on this day. A letter will follow explaining more about this trip. However, we will need several parent helpers on this day. If you could give some of your valuable time on this day, and are DBS checked, please do let me know.

Many thanks for your ongoing support.

Yours sincerely,

Miss Dolan
