

## How to...find and do your home learning

Daily learning tasks will be set on eSchools. To find these tasks, log in, click on My Class and then Homework.

Then click on the assignment name.

The task is written in the speech bubble.

Any extra resources needed will also be here, eg Powerpoints to download, Word documents, websites etc. Just click on them to open/download them.

Videos and pictures can also be added.

To complete your homework you have two choices:

1 – do it in a separate program or on paper. If you do this use the Upload Homework Button and attach it.

2 – Type your work into the text box and click submit. You can save a draft.

Year 6 - Demo

Mr Alastair Haywood

Here is your first task.

Please try to make a tower out of as many peas as you can and send me a picture of it!

Mr. H

Deadline date: 23/03/2020 12:00 AM

Send your homework to your teacher...
