Learning is not a spectator sport

I Can't do it.

I'm not very
good at it.

What school value do you think I'm going to talk to

“I have missed more than 9,000 shots...I’ve lost almost 300 games. 26 times I’ve been trusted to take the winning shot and missed. I’ve failed over and over again...

...and that is why I succeed.”

J.K. Rowling was a struggling writer, who was unable to get her work noticed. The first 12 publishers that she took *Harry Potter* to turned it down. But she kept trying.

She has now sold over 450 million books, and the Harry Potter franchise is worth over \$15 billion.

Just about everyone who is successful has at some point experienced failure.

NEVER GIVE UP!!!

Reflection

When I find something difficult, at school or at home, I'm going to try my best to succeed.

It's ok to make mistakes, because that's when I'm really learning!
