Bledlow Ridge School - Summer Term 2019

After School Football Club

Dear Parent

Romar Sports are set to continue our exciting after school club for your children.

Coaching over 1500 kids per week within local schools our sessions are about having fun, making new friends, learning new skills and techniques with good quality coaching from qualified, DBS checked coaches.

The After School Club will be a FUN based session, with a ball at your child's feet learning new skills and different footballing techniques each week. One week they will learn the Neymar skill and how to strike a ball like Ronaldo and then next week it might be the Flip Flap skill whilst learning to dribble the ball like Messi. The sessions will change each week and will be about learning to love the game of football while being active and having fun with friends.

The After School Club will run each week on the school field and will last for 1 hour. In inclement weather we may go into the school hall. The sessions are open to both boys and girls and all footballers will be required to wear the correct footwear, trainers or boots for the grass and trainers for indoors. Please make sure all footballers are wearing a football kit or their PE Kit plus we recommend footballers to wear shin pads at all times.

If for any reason your footballer cannot make a session, please let us know before the session starts via text or email.
